Last night Dobra sat up late

Oh Dobra, good wife!

Sat up late spinning.

And she spun nine spindles—full

Nine spindles—full of fine warp—thread

And she wove fine wedding gifts

To gift her father—in—law, her mother—in—law

Her father—in—law, mother—in—law, brother—in—law [husband's brother] and his wife

Brother—in—law, his wife, and her younger sister—in—law [husband's unmarried sister]
