

# Dragoons March

Longways for as many as will

Honour to your Presence, then to your we. Lead up all forward and back, that again.

Then the 1. cu. cross over round below the 2. cu. and cross over again round below the 3. cu. then lead up through the middle into their own places, then cast off below the 2. cu. and turn hands once round. This to the first Strain played twice.

Then lead down and cast up again to the 2. place, and turn both hands once round, then lead up and cast down again into the same place, and turn both hands once round. This to the second Strain played twice. [DMDfD]
